

Find the right talent in the West of Ireland

Cpl Galway

Cpl Galway, part of Ireland's largest and longest standing recruitment agency, is a dedicated provider of Talent Solutions across the West of Ireland, creating impactful talent experiences for clients that matter.

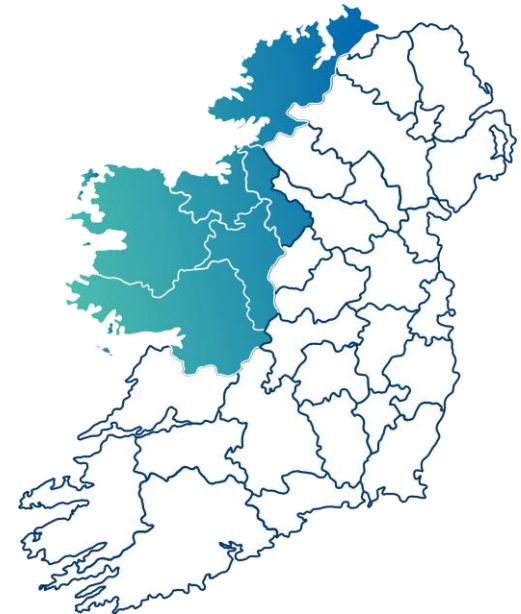

Our award winning "Client First" approach, combined with our extensive candidate database, specialised recruitment teams and market-leading sourcing capabilities, enable us to quickly identify, engage, select and progress the right candidates to match your hiring requirements, regardless of the sector you operate in.

With the largest recruitment team dedicated to talent delivery in the West of Ireland region, Cpl Galway provide specialist recruitment across our core divisions of:

Technology, Engineering and Commercial, with the ability and expertise to operate successfully across all industries.

We provide permanent, temporary, contract and executive recruitment services.

Our aim is not just to find you talent – it is to develop **authentic business partnerships** that extend past the initial recruitment process. This is achieved by treating our candidates with the same standard of high service as our clients, delivering an efficient, high-touch experience for every candidate to **facilitate a smooth hiring process for your business.**

Why choose

Cpl Galway

Delivery of Talent

Our Galway team are vastly experienced in the delivery of talent solutions across the region and can represent your needs and People Value Proposition (PVP) to the talent market effectively.

Crucially, we will **work in partnership with you to identify the right candidates** that support your business goals in a timely, cost-effective manner.

Industry Expertise

We have **specialist recruitment consultants** for specific industries across all disciplines, which means **industry-specific knowledge** on market trends, salary levels, and the skills required to be successful.

Our specialist consultants also have access to **skill-specific candidates**, which streamlines the process of finding the right talent for your organisation.

Business Growth & Innovation

As a **Total Talent Solutions hub**, Cpl is committed to working with our colleagues, our candidates, our community, and our clients to face the future of work with confidence.

Our teams **work with companies of all sizes, from innovative start-ups to large multinationals**, providing recruitment services, training, and outsourcing services.

Candidate Testimonials

“ Sinéad has been fantastic on my most recent employment search from the very beginning, to keeping in touch and updating me along the way. She has a wonderful nature when speaking and thoroughly informative throughout the entire process. She is a credit to Cpl and an absolute delight to work with.

– Lisa, Administrative Assistant

“ I am delighted to have come across Laura. She is so supportive and encouraging. She explained everything with patience and made the whole process straight forward. She was there throughout the process from the 1st day until I was successful, and still. Highly recommended, I have no hesitation in offering 5 stars.

– Sneha, Software Developer

“ It was a pleasure working with Peter. He is always engaging, informative and approachable. From our first point of contact I have always known that Peter had my best interests at heart when securing a role for me. I highly recommend working with Peter and Cpl.

- Lucy, Global Development Executive
