- (a) The Company shall issue to a member without payment within two months after allotment or lodgement of a transfer to him of the shares in respect of which he is so registered (or, in respect of shares allotted to him, within one month after the expiration of any right of renunciation in respect thereof), one certificate for the shares of each class held by him or several certificates each for one or more of his shares upon payment for every certificate after the first of such reasonable sum as the Directors may determine provided that the Company shall not be bound to issue more than one certificate for shares held jointly by several persons.

any member shall surrender for cancellation a share certificate representing shares held by him and request the Company to issue in lieu two or more share certificates representing such shares in such proportions as he may specify, the Directors may, if they think fit, comply with such request.

17. Replacement of Certificates

If a share certificate is defaced, worn out, lost, stolen or destroyed, it may be replaced on such terms (if any) as to evidence and indemnity and payment of any exceptional out of pocket expenses incurred by the Company as the Directors may determine but otherwise free of charge, and (in the case of defacement or wearing out) on delivery up of the old certificate.

PART IV - LIEN ON SHARES

18. Extent of Lien

The Company shall have a first and paramount lien on every share (not being a fully paid share) for all monies (whether presently payable or not) payable at a fixed time or called in respect of that share. The Directors, at any time, may declare any share to be wholly or in part exempt from the provisions of this Article. The Company's lien on a share shall extend to all monies payable in respect of it.

19. Power of Sale

The Company may sell in such manner as the Directors determine any share on which the Company has a lien if a sum in respect of which the lien exists is presently payable and is not paid within fourteen Clear Days after notice demanding payment, and stating that if the notice is not complied with the shares may be sold, has been given to the Holder of the share or to the person entitled to it by reason of the death or bankruptcy of the Holder, demanding payment.

20. Power to Effect Transfer

To give effect to a sale, the Directors may authorise some person to execute an instrument of transfer of the shares sold to, or in accordance with the directions of, the purchaser. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase monies nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

21. Proceeds of Sale

The net proceeds of the sale, after payment of the costs, shall be applied in payment of so much of the sum for which the lien exists as is presently payable and any residue (upon surrender to the Company for cancellation of the certificate for the shares sold and subject to a like lien for any monies not presently payable as existed upon the shares before the sale) shall be paid to the person entitled to the shares at the date of the sale.

PART V - CALLS ON SHARES AND FORFEITURE

22. Making of Calls

(a) Subject to the terms of allotment, the Directors may make calls upon the members in respect of any monies unpaid on their shares (whether in respect of nominal value or premium) and each member subject to receiving at least fourteen Clear Days' notice specifying when and where payment is to be made) shall pay to the Company as required by the notice the amount called on his shares. A call may be required to be paid by instalments. A call may, before receipt by the Company of a sum due thereunder, be revoked in whole or in part and payment of a call may be

postponed in whole or in part. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made.

- (b) On the trial or hearing of any action for the recovery of any money due for any call it shall be sufficient to prove that the name of the member sued is entered in the Register as the Holder, or one of the Holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book and that notice of such call was duly given to the member sued, in pursuance of these Articles, and it shall not be necessary to prove the appointment of the Directors who made such call nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

23. Time of Call

A call shall be deemed to have been made at the time when the resolution of the Directors authorising the call was passed.

24. Liability of Joint Holders

The joint Holders of a share shall be jointly and severally liable to pay all calls in respect thereof

25. Interest on Calls

If a call remains unpaid after it has become due and payable the person from whom it is due and payable shall pay interest on the amount unpaid from the day it became due until it is paid at the rate fixed by the terms of allotment of the share or in the notice of the call or, if no rate is fixed, at the appropriate rate (as defined by the Act) but the Directors may waive payment of the interest wholly or in part.

26. Instalments Treated as Calls

An amount payable in respect of a share on allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call.

27. Power to Differentiate

Subject to the terms of allotment, the Directors may make arrangements on the issue of shares for a difference between the Holders in the amounts and times of payment of calls on their shares.

28. Interest on Monies Advanced

The Directors, if they think fit, may receive from any member willing to advance the same all or any part of the monies uncalled and unpaid upon any shares held by him, and upon all or any of the monies so advanced may pay (until the same would, but for such advance, become payable) interest at such rate, not exceeding (unless the Company in general meeting otherwise directs) fifteen per cent. per annum, as may be agreed upon between the Directors and the member paying such sum in advance, but any sum paid in excess of the amount for the time being called up shall not be included or taken into account in ascertaining the amount of the dividend payable on the shares in respect of which such advance has been made.

29. Notice Requiring Payment

If a call remains unpaid after it has become due and payable, the Directors may give to the person from whom it is due not less than fourteen Clear Days' notice requiring payment of

the amount unpaid together with any interest which may have accrued. The notice shall name the place where payment is to be made and shall state that if the notice is not complied with the shares in respect of which the call was made will be liable to be forfeited.

30. Forfeiture

If the requirements of any notice given in accordance with the immediately preceding Articles are not complied with, any share in respect of which it was given may, before the payment required by the notice has been made, be forfeited by a resolution of the Directors to that effect. The forfeiture shall include all dividends or other monies payable in respect of the forfeited share and not paid before the forfeiture. The Directors may accept a surrender of any share liable to be forfeited hereunder.

31. Power of Disposal

Subject to the provisions of the Act, a share forfeited (or surrendered in lieu thereof) may be sold, re-allotted or otherwise disposed of on such terms and in such manner as the Directors determine, either to the person who was before the forfeiture the Holder or to any other person. At any time before any such sale, re-allotment or other disposition, the forfeiture may be cancelled on such terms as the Directors think fit. Where for the purposes of its disposal such a share is to be transferred to any person, the Directors may authorise some person to execute an instrument of transfer of the share to that person. The Company may receive the consideration, if any, given for the share on any sale or disposition thereof and the person to whom the share is disposed of shall be registered as the Holder of the share and shall not be bound to see to the application of the consideration, if any, nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, surrender, sale, re-allotment or other disposal of the share.

32. Effect of Forfeiture or Surrender

A person any of whose shares have been forfeited or surrendered shall cease to be a member in respect of them and shall surrender to the Company for cancellation the certificate for the shares forfeited or surrendered but shall remain liable to pay to the Company all monies which at the date of forfeiture or surrender, were payable by him to the Company in respect of those shares with interest at the rate at which interest was payable on those monies before the forfeiture or, if no interest was so payable, at the appropriate rate (as defined in the Act) from the date of forfeiture or surrender until payment but the directors may waive payment wholly or in part or enforce payment without any allowance for the value of the shares at the time of forfeiture or surrender or for any consideration received on their disposal. Such liability shall cease if and when the Company shall have received payment in full of all such monies in respect of the shares.

33. Statutory Declaration

A statutory declaration by a Director or the Secretary that a share has been forfeited or surrendered on a specified date shall be conclusive evidence of the facts stated in it as against all persons claiming to be entitled to the share and the declaration shall together with the receipt of the Company for the consideration, if any, given for the share on the sale or disposition thereof and a certificate by the Company for the share delivered to the person to whom the same is sold or disposed of, constitute a good title to the share.

PART VI - TRANSFER OF SHARES

34. Transfer and Evidence of Title

The means of transferring title and evidence thereof shall be either by way of an instrument in writing in accordance with and subject to the provision of paragraph (a) below or by way of electronic means in accordance with and subject to the provisions of paragraph (b) below.

- (a) An instrument of transfer of any share shall be:-

- (i) in writing in any usual form; or
- (ii) in any other form which the directors may approve.

Any instrument of transfer in writing shall be executed by or on behalf of the transferor and, (except in the case of fully paid shares) by the transferee.

35. Status of Holder

The transferor of any share shall be deemed to remain the Holder of the share until the name of the transferee is inserted in the Register in respect thereof.

36. Refusal to Register Transfers

- (a) The Directors may, in their absolute discretion and without giving any reason refuse to register:-
 - (i) the transfer of a share or any renunciation of any allotment made in respect of a share which is not fully paid provided, however, that in the case of any such shares which are listed on the Stock Exchange, the Directors shall allow dealings in such shares to take place on an open and proper basis; or
 - (ii) any transfer of a share to or by a minor or a person of unsound mind or any renunciation of a share to any such person.
- (b) The Directors may also refuse to register any transfer (whether or not it is in respect of a fully paid share) unless it is:-
 - (i) lodged at the Office or at such other place as the Directors may appoint and is accompanied by the certificate for the shares to which it relates and such other evidence as the Directors may reasonably require to show the right of the transferor to make the transfer;
 - (ii) in respect of only one class of shares; and
 - (iii) in favour of not more than four transferees.
- (c) Notwithstanding the foregoing provisions of this Article 36, the Directors may only decline to register any transfer of shares in uncertificated form in such circumstances as are permitted or required by the Regulations.

37. Procedure on Refusal

If the Directors refuse to register a transfer, they shall, within two months after the date on which the transfer was lodged with the Company, send to the transferee notice of the refusal.

38. Closing of Transfer Books

Subject to the Act, the registration of transfers of shares or of transfers of any class of shares may be suspended at such times and for such periods (not exceeding thirty days in each year) as the Directors may from time to time determine.

39. Absence of Registration Fees

Notwithstanding Section 95(2)(a) of the Act, no fee shall be charged for the registration of any instrument of transfer or other document relating to or affecting the title to any share.

40. Retention of Transfer Instruments

The Company shall be entitled to retain any instrument of transfer which is registered, but any instrument of transfer which the Directors refuse to register shall be returned to the person lodging it when notice of the refusal is given.

41. Renunciation of Allotment

Nothing in these Articles shall preclude the Directors from recognising a renunciation of the allotment of any shares by the allottee in favour of some other person.

PART VII - TRANSMISSION OF SHARES

42. Death of Member

If a member dies, the survivor or survivors, where he was a joint Holder, and his personal representatives, where he was a sole Holder or the only survivor of joint Holders, shall be the only persons recognised by the Company as having any title to his interest in the shares; but nothing herein contained shall release the estate of a deceased member from any liability in respect of any share which had been jointly held by him.

43. Transmission on Death or Bankruptcy

A person becoming entitled to a share in consequence of the death, bankruptcy, liquidation or insolvency of a member or otherwise becoming entitled to a share by operation of any law, directive or regulation (whether of the State or elsewhere) may, upon such evidence of title being produced as the Directors may reasonably require, elect either to become the Holder of the share or to have some person nominated by him registered as the transferee. If he elects to become the Holder he shall give notice to the Company to that effect. If he elects to have another person registered he shall execute an instrument of transfer of the share to that person and if the Directors are satisfied with evidence of title produced to them, they may register such person as the holder of the share, subject to the Act and the other provisions of these Articles. All of these Articles relating to the transfer of shares shall apply to the notice or instrument of transfer as if it were an instrument of transfer executed by the member and the event giving rise to the entitlement of the relevant person to the shares had not occurred.

44. Rights before Registration

A person becoming entitled to a share by reason of the death or bankruptcy of a member (upon supplying to the Company such evidence as the Directors may reasonably require to show his title to the share) shall have the rights to which he would be entitled if he were the Holder of the share, except that he shall not, before being registered as the Holder of the share, be entitled in respect of it to attend or vote at any meeting of the Company or at any separate meeting of the Holders of any class of shares in the Company, so, however, that the Directors may at any time give notice requiring any such person to elect either to be registered himself or to transfer the share and, if the notice is not complied with within ninety days, the Directors may thereupon withhold payment of all dividends, bonuses or other

monies payable in respect of the share until the requirements of the notice have been complied with.

PART VIII - CONVERSION OF SHARES TO STOCK AND RIGHTS OF HOLDERS OF STOCK

45. Conversion of Shares into Stock

The Company may by ordinary resolution convert any paid up shares into stock, and reconvert any stock into paid up shares of any denomination.

46. Transfer of Stock

The holder of stock may transfer the same, or any part thereof, in the same manner, and subject to the same regulations, as and subject to which the shares from which the stock arose might prior to conversion have been transferred, or as near thereto as circumstances admit; and the Directors may from time to time fix the minimum amount of stock transferable but so that such minimum shall not exceed the nominal amount of each share from which the stock arose.

47. Rights of holders of Stock

The holders of stock shall, according to the amount of stock held by them, have the same rights, privileges and advantages in relation to dividends, voting at meetings of the Company and other matters as if they held the shares from which the stock arose, but no such right, privilege or advantage (except participation in the dividends and profits of the Company and in the assets on winding up) shall be conferred by an amount of stock which would not, if existing in shares, have conferred that right, privilege or advantage.

48. Application of these Articles to Stock

Such of these Articles as are applicable to paid up shares shall apply to stock, and the words "share" and "shareholder" therein shall include "stock" and "stockholder".

PART IX - ALTERATION OF SHARE CAPITAL

49. Increase of Capital

- (a) The Company may from time to time by ordinary resolution increase the share capital by such sum, to be divided into shares of such amount, as the resolution shall prescribe.
- (b) Except so far as otherwise provided by the conditions of issue or by these Articles, any capital raised by the creation of new shares shall be considered part of the pre-existing ordinary share capital and shall be subject to the provisions herein contained with reference to the payment of calls and instalments, transfer and transmission, forfeiture, lien and otherwise.

50. Consolidation, Sub-Division and Cancellation of Capital

The Company may by ordinary resolution:-

- (a) consolidate and divide all or any of its share capital into shares of larger amount than its existing shares;
- (b) subject to the provisions of the Act, sub-divide its shares, or any of them, into shares of smaller amount, so however that in the sub-division the proportion between the amount paid and the amount, if any, unpaid on each sub-divided share shall be the same as it was in the case of the share from which the sub-divided share is derived (and so that the resolution whereby any share is sub-divided may determine that, as between the Holders of the shares resulting from

such sub-division, one or more of the shares held by a Holder may, as compared with the others, have any such preferred, deferred or other rights or be subject to any such restrictions as the Company has power to attach to unissued or new shares); or

- (c) cancel any shares which, at the date of the passing of the resolution, have not been taken or agreed to be taken by any person and reduce the amount of its authorised share capital by the amount of the shares so cancelled.

51. Fractions on Consolidation

Subject to the provisions of these Articles, whenever as a result of a consolidation of shares any members would become entitled to fractions of a share, the Directors may, on behalf of those members, sell the shares representing the fractions for the best price reasonably obtainable to any person and distribute the net proceeds of sale (after expenses) in due proportion among those members (save that the Directors may in any such case determine that amounts of IR£3 or less shall not be distributed but shall be retained for the benefit of the Company), and the Directors may authorise some person to execute an instrument of transfer of the shares to, or in accordance with the directions of, the purchaser. The transferee shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.

52. Reduction of Capital

The Company may by special resolution reduce its share capital, any capital redemption reserve fund or any share premium account in any manner and with, and subject to, any incident authorised, and consent required, by law.

PART X - GENERAL MEETINGS

53. Annual General Meetings

The Company shall in each year hold a general meeting as its annual general meeting in addition to any other meeting in that year and shall specify the meeting as such in the notices calling it.

54. Extraordinary General Meetings

All general meetings other than annual general meetings shall be called extraordinary general meetings.

55. Convening General Meetings

The Directors may convene general meetings. Extraordinary general meetings may also be convened on such requisition, or in default may be convened by such requisitionists, and in such manner as may be provided by the Act.

56. Notice of General Meetings

- (a) Subject to the provisions of the Act allowing a general meeting to be called by shorter notice, an annual general meeting and an extraordinary general meeting called for the passing of a special resolution shall be called by at least twenty-one Clear Days' notice and all other extraordinary general meetings shall be called by at least fourteen Clear Days' notice.
- (b) Any notice convening a general meeting shall specify the time and place of the meeting and the general nature of the business to be transacted. It shall also give particulars of any Directors who are to retire by rotation or otherwise at the meeting and of any persons who are recommended by the Directors for appointment or re-

appointment as Directors at the meeting, or in respect of whom notice has been duly given to the Company of the intention to propose them for appointment or re-appointment as Directors at the meeting. Subject to any restrictions imposed on any shares, the notice shall be given to all the members, to all persons entitled to a share by reason of the death or bankruptcy of a member and to the Directors and the Auditors.

- (c) The accidental omission to give notice of a meeting to, or the non-receipt of notice of a meeting by, any person entitled to receive notice shall not invalidate the proceedings at the meeting.

PART XI - PROCEEDINGS AT GENERAL MEETINGS

57. Quorum for General Meetings

- (a) No business other than the appointment of a chairman shall be transacted at any general meeting unless a quorum of members is present at the time when the meeting proceeds to business. Except as provided in relation to an adjourned meeting, three persons entitled to vote upon the business to be transacted, each being a member or a proxy for a member or a duly authorised representative of a corporate member, shall be a quorum.
- (b) If such a quorum is not present within half an hour from the time appointed for the meeting, or if during a meeting a quorum ceases to be present, the meeting shall stand adjourned to the same day in the next week at the same time and place, or to such time and place as the Directors may determine. If at the adjourned meeting such a quorum is not present within half an hour from the time appointed for the meeting, the meeting, if convened otherwise than by resolution of the Directors, shall be dissolved, but if the meeting shall have been convened by resolution of the Directors, two persons entitled to be counted in a quorum present at the meeting shall be a quorum.

58. Chairman of General Meetings

- (a) The chairman of the Board of Directors or, in his absence, one of the deputy chairmen (as they shall agree among themselves) or, in their absence, some other Director nominated by the Directors shall preside as chairman at every general meeting of the Company. If at any general meeting none of such persons shall be present within fifteen minutes after the time appointed for the holding of the meeting and willing to act, the Directors present shall elect one of their number to be chairman of the meeting and, if there is only one Director present and willing to act, he shall be chairman.
- (b) If at any meeting no Director is willing to act as chairman or if no Director is present within fifteen minutes after the time appointed for holding the meeting, the members present and entitled to vote shall choose one of the members personally present to be chairman of the meeting.

59. Directors' and Auditors' Right to Attend General Meetings

A Director shall be entitled, notwithstanding that he is not a member, to receive notice of and to attend and speak at any general meeting and at any separate meeting of the Holders of any class of shares in the Company. The Auditors shall be entitled to attend any general meeting and to be heard on any part of the business of the meeting which concerns them as the Auditors.

60. Adjournment of General Meetings

The Chairman, with the consent of a meeting at which a quorum is present (and shall if so directed by the meeting) may adjourn the meeting from time to time (or sine die) and from

place to place, but no business shall be transacted at any adjourned meeting other than business which might properly have been transacted at the meeting had the adjournment not taken place. Where a meeting is adjourned sine die, the time and place for the adjourned meeting shall be fixed by the Directors. When a meeting is adjourned for fourteen days or more or sine die, at least seven Clear Days' notice shall be given specifying the time and place of the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid it shall not be necessary to give any notice of an adjourned meeting.

61. Determination of Resolutions

At any general meeting a resolution put to the vote of the meeting shall be decided on a show of hands unless before, or on the declaration of the result of the show of hands a poll is duly demanded. Unless a poll is so demanded a declaration by the chairman that a resolution has been carried or carried unanimously, or by a particular majority, or lost, or not carried by a particular majority and an entry to that effect in the minutes of the meeting shall be conclusive evidence of the fact without proof of the number or proportion of the votes recorded in favour of or against the resolution. The demand for a poll may be withdrawn before the poll is taken but only with the consent of the chairman, and a demand so withdrawn shall not be taken to have invalidated the result of a show of hands declared before the demand was made.

62. Entitlement to Demand Poll

Subject to the provisions of the Act, a poll may be demanded:-

- (a) by the chairman of the meeting;
- (b) by at least three members present (in person or by proxy) having the right to vote at the meeting;
- (c) by any member or members present (in person or by proxy) representing not less than one-tenth of the total voting rights of all the members having the right to vote at the meeting; or
- (d) by a member or members present (in person or by proxy) holding shares in the Company conferring the right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all the shares conferring that right.

63. Taking of a Poll

- (a) Save as provided in paragraph (b) a poll shall be taken in such manner as the chairman directs and he may appoint scrutineers (who need not be members) and fix a time and place for declaring the result of the poll. The result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded.
- (b) A poll demanded on the election of a chairman of any meeting or on a question of adjournment thereof shall be taken forthwith. A poll demanded on any other question shall be taken either forthwith or at such time (not being more than thirty days after the poll is demanded) and place as the chairman of the meeting may direct. The demand for a poll shall not prevent the continuance of a meeting for the transaction of any business other than the question on which the poll was demanded. If a poll is demanded before the declaration of the result of a show of hands and the demand is duly withdrawn, the meeting shall continue as if the demand had not been made.
- (c) No notice need be given of a poll not taken forthwith if the time and place at which it is to be taken are announced at the meeting in respect of which it is demanded. In any other case at least seven Clear Days' notice shall be given specifying the time and place at which the poll is to be taken.

- (d) On a poll a member entitled to more than one vote need not cast all his votes or cast all the votes which he has in the same way.

64. Votes of Members

Votes may be given either personally or by proxy. Subject to any rights or restrictions for the time being attached to any class or classes of shares, on a show of hands every member present in person and every proxy shall have one vote, so, however, that no individual shall have more than one vote, and on a poll every member present in person or by proxy shall have one vote for every share carrying voting rights of which he is the Holder.

65. Chairman's Casting Vote

Where there is an equality of votes, whether on a show of hands or on a poll, the chairman of the meeting at which the show of hands takes place or at which the poll is demanded shall be entitled to a casting vote in addition to any other vote he may have.

66. Voting by Joint Holders

Where there are joint Holders of a share, the vote of the senior who tenders a vote, whether in person or by proxy, in respect of such share shall be accepted to the exclusion of the votes of the other joint Holders; and for this purpose seniority shall be determined by the order in which the names of the Holders stand in the Register in respect of the share.

67. Voting by Incapacitated Holders

A member of unsound mind, or in respect of whom an order has been made by any court having jurisdiction (whether in the State or elsewhere) in matters concerning mental disorder, may vote, whether on a show of hands or on a poll, by his committee, receiver, guardian or other person appointed by that court and any such committee, receiver, guardian or other person may vote by proxy on a show of hands or on a poll. Evidence to the satisfaction of the Directors of the authority of the person claiming to exercise the right to vote shall be deposited at the Office or at such other place as is specified in accordance with these Articles for the deposit of instruments of proxy, not less than forty-eight hours before the time appointed for holding the meeting or adjourned meeting at which the right to vote is to be exercised and in default the right to vote shall not be exercisable.

68. Default in Payment of Calls

Unless the Directors otherwise determine, no member shall be entitled to vote at any general meeting or any separate meeting of the Holders of any class of shares in the Company, either in person or by proxy, or to exercise any privilege as a member in respect of any share held by him unless all monies then payable by him in respect of that share have been paid.

69. Time for Objection to Voting

No objection shall be raised to the qualification of any voter except at the meeting or adjourned meeting at which the vote objected to is tendered and every vote not disallowed at such meeting shall be valid. Any such objection made in due time shall be referred to the chairman of the meeting whose decision shall be final and conclusive.

70. Appointment of Proxy

- (a) Every member entitled to attend and vote at a general meeting may appoint a proxy to attend, speak and vote on his behalf and may appoint more than one proxy to attend, speak, ask questions relating to items on the agenda and vote at the same meeting in respect of separate shares held by him. The appointment of a proxy shall be in writing (in electronic form or otherwise) in any usual form or in any other form which the Directors may approve. A member shall be entitled to appoint

a proxy by electronic means, to an address and in the manner specified by the Company.

- (b) The Directors may send, at the expense of the Company, by post or otherwise, to the members instruments of proxy (with or without stamped envelopes for their return) for use at any general meeting or at any class meeting, either in blank or nominating any one or more of the Directors or any other persons in the alternative.
- (c) Without limiting the foregoing, in relation to any shares which are held in uncertificated form, the Directors may from time to time permit appointments of a proxy to be made by means of an electronic communication in the form of an uncertificated proxy instruction, that is, a properly authenticated dematerialised instruction, and/or other instruction or notification, which is sent by means of the relevant system concerned and received by such participant in that system acting on behalf of the Company as the Directors may prescribe, in such form and subject to such terms and conditions as may from time to time be prescribed by the Directors (subject always to the facilities and requirements of the relevant system concerned), and may in a similar manner permit supplements to, or amendments or revocations of, any such uncertificated proxy instruction to be made by like means. The Directors may in addition prescribe the method of determining the time at which any such properly authenticated dematerialised instruction (and/or other instruction or notification) is to be treated as received by the Company or such participant. The Directors may treat any such uncertificated proxy instruction which purports to be or is expressed to be sent on behalf of a Holder of a share as sufficient evidence of the authority of the person sending that instruction to send it on behalf of that Holder.

71. Deposit of Proxy Instruments

- (a) Where the instrument appointing a proxy and any authority under which it is executed or a copy, certified notarially or in some other way approved by the Directors, is to be received by the Company:-
 - (i) in physical form, it shall be deposited at the Office or (at the option of the member) at such other place or places (if any) as may be specified for that purpose in or by way of note to the notice convening the meeting; or
 - (ii) in electronic form, it may be so received where an address has been specified by the Company for the purpose of receiving Electronic Communications:-
 - (A) in the notice convening the meeting;
 - (B) in any appointment of proxy sent out by the Company in relation to the meeting; or
 - (C) in any invitation contained in an Electronic Communication to appoint a proxy issued by the Company in relation to the meeting;

provided that it is so received by the Company not less than forty-eight hours before the time appointed for the holding of the meeting or adjourned meeting or (in the case of a poll taken otherwise than at or on the same day as the meeting or adjourned meeting) for the taking of the poll at which it is to be used, and in default shall not be treated as valid. Provided that:-

- (i) in the case of a meeting which is adjourned to, or a poll which is to be taken on, a date which is less than seven days after the date of the meeting which was adjourned or at which the poll was demanded, it shall be sufficient if the instrument of proxy and any such authority and

certification thereof as aforesaid is lodged with the Secretary at the commencement of the adjourned meeting or the taking of the poll;

- (ii) an instrument of proxy relating to more than one meeting (including any adjournment thereof) having once been so delivered for the purposes of any meeting shall not require again to be delivered for the purposes of any subsequent meeting to which it relates; and
 - (iii) the Secretary may accept proxy forms submitted by telefax provided such telefaxes are received, to the satisfaction of the Secretary, in clear and tangible form not less than forty-eight hours before the time appointed as aforesaid.
- (b) For the purposes of this Article 71:
- (i) "Electronic Communication" shall have the meaning given to such expression in Section 2 of the Electronic Commerce Act 2000; and
 - (ii) references to receipt of any Electronic Communications shall be limited to receipt in such manner as the Company has approved.

72. Effect of Proxy Instruments

Deposit of an instrument of proxy in respect of a meeting shall not preclude a member from attending and voting at the meeting or at any adjournment thereof. The instrument appointing a proxy shall, unless the contrary is stated therein, be valid as well for any adjournment of the meeting as for the meeting to which it relates.

73. Effect of Revocation of Proxy or of Authorisation

A vote given or poll demanded in accordance with the terms of an instrument of proxy or a resolution authorising a representative to act on behalf of a body corporate shall be valid notwithstanding the death or insanity of the principal or the revocation of the instrument of proxy or of the authority under which the instrument of proxy was executed or the revocation or termination of the resolution authorising the representative to act or the transfer of the share in respect of which the instrument of transfer or the authorisation of the representative to act was given, unless notice in writing (whether in electronic form or otherwise) of any such death, insanity, revocation, termination or transfer was (x) received by the Company at the Office or at such other place or one of such other places or an address (if any), at which the instrument of proxy could have been duly deposited in respect of such meeting, in any such case not later than the close of business (local time) at the place where it was so received on the day before the meeting to which it relates, (y) handed to the chairman of the meeting or the Secretary at the place of the meeting or adjourned meeting at which the vote is to be given or poll demanded, before the commencement of such meeting or adjourned meeting, or (z) in the case of a poll taken otherwise than on the same day as the meeting or adjourned meeting, handed to the chairman of the meeting or the Secretary at the place, and prior to the time, appointed for the taking of the poll.

PART XII - DIRECTORS

74. Number of Directors

Unless otherwise determined by Company in general meeting, the number of Directors shall not be more than 15 nor less than two. The continuing Directors may act notwithstanding any vacancy in their body, provided that if the number of the Directors is reduced below the prescribed minimum the remaining Director or Directors shall appoint forthwith an additional Director or additional Directors to make up such minimum or shall convene a general meeting of the Company for the purpose of making such appointment. If there be no Director or Directors able or willing to act then any two shareholders may summon a general meeting for the purpose of appointing Directors. Any additional Director so appointed shall hold office

(subject to the provisions of the Act and these Articles) only until the conclusion of the annual general meeting of the Company next following such appointment unless he is re-elected during such meeting and he shall not retire by rotation at such meeting or be taken into account in determining the Directors who are to retire by rotation at such meeting.

75. Share Qualification

A director shall not require a share qualification.

76. Ordinary Remuneration of Directors

The ordinary remuneration of the Directors for their services (excluding amounts (if any) payable under any other provision of these Articles) shall not exceed, in aggregate, €325,000 per annum or such other amount as the Company may from time to time determine by ordinary resolution and shall (unless such resolution shall otherwise provide) be divisible among the Directors as they may agree, or, failing agreement, equally, except that any Director who shall hold office for part only of the period in respect of which such remuneration is payable shall be entitled only to rank in such division for a proportion of the remuneration related to the period during which he has held office.

77. Special Remuneration of Directors

Any Director who holds any executive office (including for this purpose the office of chairman or deputy chairman) or who serves on any committee, or who otherwise performs services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director, may be paid such extra remuneration by way of salary, commission or otherwise as the Directors may determine.

78. Expenses of Directors and Use of Company Property

- (a) The Directors may be paid all travelling, hotel and other expenses properly incurred by them in connection with their attendance at meetings of Directors or committees of Directors or general meetings or separate meetings of the Holders of any class of shares or of debentures of the Company or otherwise in connection with the discharge of their duties.
- (b) For the purposes of Section 228(1)(d) of the Act, the reasonable personal use by a Director of any assets of the Company made available for use by the Director in connection with the business and affairs of the Company shall be permitted, subject to such parameters and restrictions as may be imposed by Board of the Directors from time to time whether by contract or otherwise.

79. Alternate Directors

- (a) Any Director may by writing under his hand appoint any person (including another Director) to be his alternate provided always that no such appointment of a person other than a Director as an alternate shall be operative unless and until such appointment shall have been approved by resolution of the Directors.
- (b) An alternate Director shall be entitled to receive notices of all meetings of the Directors and of all meetings of committees of Directors of which his appointor is a member, to attend and vote at any such meeting at which the Director appointing him is not personally present and in the absence of his appointor to exercise all the powers, rights, duties and authorities of his appointor as a Director (other than the right to appoint an alternate hereunder).
- (c) Save as otherwise provided in these Articles, an alternate Director shall be deemed for all purposes to be a Director and shall alone be responsible for his own acts and defaults and he shall not be deemed to be the agent of the Director appointing him. The remuneration of any such alternate Director shall be payable out of the

remuneration paid to the Director appointing him and shall consist of such portion of the last mentioned remuneration as shall be agreed between the alternate and the Director appointing him.

- (d) A Director may at any time revoke the appointment of any alternate appointed by him. If a Director shall die or cease to hold the office of Director the appointment of his alternate shall thereupon cease and determine but if a Director retires by rotation or otherwise but is re-appointed or deemed to have been re-appointed at the meeting at which he retires, any appointment of an alternate Director made by him which was in force immediately prior to his retirement shall continue after his re-appointment.
- (e) Any appointment or revocation by a Director under this Article shall be effected by notice in writing given under his hand to the Secretary or deposited at the Office or in any other manner approved by the Directors.

PART XIII - POWERS OF DIRECTORS

80. Directors' Powers

Subject to the provisions of the Act, the Memorandum of Association of the Company and these Articles and to any directions given by special resolution, the business of the Company shall be managed by the Directors who may do all such acts and things and exercise all the powers of the Company as are not by the Act or by these Articles required to be done or exercised by the Company in general meeting. No alteration of the Memorandum of Association of the Company or of these Articles and no such direction shall invalidate any prior act of the Directors which would have been valid if that alteration had not been made or that direction had not been given. The powers given by this Article shall not be limited by any special power given to the Directors by these Articles and a meeting of Directors at which a quorum is present may exercise all powers exercisable by the Directors.

81. Power to Delegate

Without prejudice to the generality of the last preceding Article, the Directors may delegate any of their powers and discretions to any managing Director or any Director holding any other executive office or to any committee consisting of one or more Directors together with such other person or persons (if any) as may be appointed to such committee by the Directors provided that a majority of the members of each Committee shall at all times consist of Directors and that no resolution of any such committee shall be effective unless a majority of the members of the committee present at the meeting at which it was passed are Directors. The powers or discretions which may be delegated to any such committee shall include (without limitation) any powers and discretions whose exercise involves or may involve the payment of remuneration to, or the conferring of any other benefit on, all or any of the Directors). Any such delegation may be made subject to any conditions the Directors may impose, and either collaterally with or to the exclusion of their own powers and may be revoked. Subject to any such conditions, the proceedings of a committee with two or more members shall be governed by the provisions of these Articles regulating the proceedings of Directors so far as they are capable of applying.

82. Appointment of Attorneys

The Directors may from time to time and at any time by power of attorney appoint any company, firm or person or fluctuating body of persons, whether nominated directly or indirectly by the Directors, to be the attorney or attorneys of the Company for such purposes and with such powers, authorities and discretions (not exceeding those vested in or exercisable by the Directors under these Articles) and for such period and subject to such conditions as they may think fit. Any such power of attorney may contain such provisions for the protection of persons dealing with any such attorney as the Directors may think fit and may also authorise any such attorney to sub-delegate all or any of the powers, authorities and discretions vested in him.

83. Local Management

Without prejudice to the generality of the immediately preceding Article, the Directors may establish any committees, local boards or agencies for managing any of the affairs of the Company, either in the State or elsewhere, and may appoint any persons to be members of such committees, local boards or agencies and may fix their remuneration and may delegate to any committee, local board or agent any of the powers, authorities and discretions vested in the Directors with power to sub-delegate and any such appointment or delegation may be made upon such terms and subject to such conditions as the Directors may think fit, and the Directors may remove any person so appointed, and may annul or vary any such delegation, but no person dealing in good faith with any such committee, local board or agency, without notice of any such annulment or variation shall be affected thereby.

84. Borrowing Powers

- (a) The Directors may exercise all the powers of the Company to borrow or raise money and to mortgage or charge its undertaking, property, assets, and uncalled capital or any part thereof subject to the Act and to issue debentures, debenture stock and other securities whether outright or as collateral security for any debt, liability or obligation of the Company or of any third party, without any limitation as to amount.
- (b) The Directors may borrow, raise or secure the repayment of such sums in such manner and upon such terms and conditions in all respects as they think fit, and in particular by the issue of bonds, perpetual or redeemable debentures or debenture stock, loan stock, or any mortgage, charge or other security on the undertaking or the whole or any part of the property of the Company (both present and future) including its uncalled capital.
- (c) Debentures, debenture stock and other securities may be made assignable free from any equities between the Company and the person to whom the same may be issued. Subject to the provisions of the Act, any debentures, debenture stock, bonds or other securities may be issued at a discount, premium or otherwise, and with any special privileges as to redemption, surrender, drawings, allotment of shares, attending and voting at general meetings of the Company, appointment of Directors or otherwise.

PART XIV - APPOINTMENT, RETIREMENT AND DISQUALIFICATION OF DIRECTORS

85. Retirement by Rotation

- (a) At each annual general meeting of the Company one-third of the Directors who are subject to retirement by rotation, or if their number is not three or a multiple of three, the number nearest to one-third, shall retire from office, but if there is only one Director who is subject to retirement by rotation, he shall retire.
- (b) The Directors to retire by rotation shall be those who have been longest in office since their last appointment or re-appointment but, as between persons who became or were last re-appointed Directors on the same day, those to retire shall (unless they otherwise agree amongst themselves) be determined by lot.
- (c) A Director who retires at an annual general meeting may, if willing to act, be re-appointed. If he is not re-appointed (or deemed to be re-appointed pursuant to these Articles) he shall retain office until the meeting appoints someone in his place or, if it does not do so, until the end of the meeting.

86. Deemed Reappointment

If the Company, at the meeting at which a Director retires by rotation, does not fill the vacancy the retiring Director shall, if willing to act, be deemed to have been re-appointed,

unless at the meeting it is resolved not to fill the vacancy or unless a resolution for the re-appointment of the Director is put to the meeting and lost.

87. Eligibility for Appointment

No person other than a Director retiring by rotation or pursuant to Article 74 or Article 88(b) shall be appointed a Director at any general meeting unless he is recommended by the Directors or not less than seven nor more than forty two Clear Days before the date appointed for the meeting notice executed by a member qualified to vote at the meeting has been given to the Company of the intention to propose that person for appointment stating with respect to such person to be proposed the particulars which would, if he were so appointed, be required to be included in the Company's register of Directors together with notice executed by that person of his willingness to be appointed.

88. Appointment of Additional Directors

- (a) The Company may by ordinary resolution appoint a person to be a Director either to fill a vacancy or as an additional Director and may also determine the rotation in which any additional Directors are to retire.
- (b) The Directors may appoint a person who is willing to act to be a Director, either to fill a vacancy or as an additional Director provided that the appointment does not cause the number of Directors to exceed any number fixed by or in accordance with these Articles as the maximum number of Directors. A Director so appointed shall hold office only until the next following annual general meeting and, if not then re-appointed, shall vacate office and shall not be taken into account in determining the Directors who are to retire by rotation at the meeting.

89. Disqualification of Directors

The office of a Director shall be vacated ipso facto if:-

- (g) (not being a Director who is, or at any time has been, the holder of the office of chairman) he is required in writing by a majority of his co-Directors to resign, but so that if he holds an appointment to an executive office which thereby automatically determines such removal shall be deemed an act of the Company and shall have effect without prejudice to any claim for damages for breach of any contract of service between him and the Company.

- (b) Each Director present at a meeting of Directors shall, in addition to his own vote, be entitled to one vote in respect of each other Director not present at the meeting who shall have authorised him (the "Authorised Director") in respect of such meeting to vote for such other Director in the absence of such other Director, provided that:-

99. Validity of Acts of Directors

All acts done by any meeting of the Directors or of a committee of Directors or by any person acting as a Director shall, notwithstanding that it be afterwards discovered that there was some defect in the appointment of any such Director or person acting as aforesaid, or that they or any of them were disqualified from holding office or had vacated office, be as valid as if every such person had been duly appointed and was qualified and had continued to be a Director and had been entitled to vote.

100. Directors' Resolutions and Other Documents in writing

A resolution or other document in writing signed by all the Directors entitled to receive notice of a meeting of Directors or of a committee of Directors shall be as valid as if it had been passed at a meeting of Directors or (as the case may be) a committee of Directors duly convened and held and may consist of several documents in the like form each signed by one or more Directors, but a resolution signed by an alternate Director need not also be signed by his appointor and, if it is signed by a Director who has appointed an alternate Director, it need not be signed by the alternate Director in that capacity. A document signed by a Director of which a facsimile copy is transmitted to the Company at its offices shall be regarded as being signed by the Director concerned.

PART XVII - THE SECRETARY

101. Appointment of Secretary

The Secretary shall be appointed by the Directors for such term, at such remuneration and upon such conditions as they may think fit and any Secretary so appointed may be removed by them and a new Secretary appointed in his place.

102. Assistant Secretary

The Directors shall ensure that the common seal of the Company and any official securities seal kept pursuant to the Act shall only be used by the authority of the Directors or of a committee authorised by the Directors.

104. Signature of Sealed Instruments

Every instrument to which the Seal shall be affixed shall be signed by a Director and shall also be signed by the Secretary or by a second Director or by some other person appointed by the Directors for the purpose save that as regards any certificates for shares or debentures or other securities of the Company the Directors may by resolution determine, that such signatures or either of them shall be dispensed with, printed thereon or affixed thereto by some method or system of mechanical signature.

105. Seal for Use Abroad

The Company may exercise the powers conferred by the Act with regard to having an official seal for use abroad, and such powers shall be vested in the Directors.

PART XIX - DIVIDENDS AND RESERVES

106. Declaration of Dividends

Subject to the provisions of the Act, the Company may by ordinary resolution declare dividends in accordance with the respective rights of the members, but no dividend shall exceed the amount recommended by the Directors.

107. Interim and Fixed Dividends

Subject to the provisions of the Act, the Directors may from time to time pay to the members interim dividends if it appears to them that they are justified by the profits of the Company available for distribution. If the share capital is divided into different classes, the Directors may pay interim dividends on shares which confer deferred or non-preferred rights with regard to dividend as well as on shares which confer preferential rights with regard to dividend, but subject always to any restrictions for the time being in force (whether under these Articles, under the terms of issue of any shares or under any agreement to which the Company is a party, or otherwise howsoever), relating to the application, or the priority of application, of the Company's profits available for distribution or to the declaration, or as the case may be the payment of dividends by the Company and no interim dividend shall be paid on shares carrying deferred or non-preferred rights if at the time of payment, any preferential dividend is in arrear. Subject as aforesaid, the Directors may also pay at intervals settled by them any dividend payable at a fixed rate if it appears to them that the

profits available for distribution justify the payment. Provided the Directors act in good faith they shall not incur any liability to the Holders of shares conferring preferred rights for any loss they may suffer by the lawful payment of an interim dividend on any shares having deferred or non-preferred rights.

108. Reserves

The Directors may before recommending any dividend, whether preferential or otherwise, carry to reserve out of the profits of the Company such sums as they think proper. All sums standing to a reserve may be applied from time to time, at the discretion of the Directors for any purpose to which the profits of the Company may be properly applied and pending such application may, at the like discretion, either be employed in the business of the Company or invested in such investments as the Directors may lawfully determine. The Directors may divide the reserve into such special funds as they think fit and may consolidate into one fund any special funds or any parts of any special funds into which the reserve may have been divided as they may lawfully determine. The Directors may also, without placing the same to reserve, carry forward any profits which they may think it prudent not to divide.

109. Scrip Dividends

The Directors may, subject to approval by the Company by ordinary resolution (and provided that an adequate number of unissued Ordinary Shares is available for the purpose), prior to or contemporaneously with the announcement of the dividend in question offer Holders of Ordinary Shares the right to elect to receive in lieu of such dividend (or part thereof) an allotment of additional Ordinary Shares credited as fully paid. In any such case, the following provisions shall apply:-

- (a) Any such resolution of the Company may specify that the said right of election shall apply to a particular dividend or dividends or to all or any dividends falling to be declared or paid during a specified period, provided that such period shall expire no later than fifteen months after the date on which such resolution is passed or on the date of the holding of the next following annual general meeting, whichever is the first to occur, unless previously renewed, varied or revoked by the Company in general meeting.
- (b) The basis of allotment shall be determined by the Directors so that, as nearly as may be considered convenient but subject always to Section 71(2) of the Act, the value of the additional Ordinary Shares to be allotted in lieu of any amount of cash dividend shall equal the cash amount of the dividend foregone together with, if and to the extent that the Directors shall so determine in respect of any particular dividend payment or payments, all or part of the amount of the tax credit (if any) attaching to such dividend. The said basis of allotment may, at the absolute discretion of the Directors, be exclusive of any fractional entitlements or, alternatively, may provide for a rounding up to the nearest number of Ordinary Shares, notwithstanding that the value thereof (as determined in accordance with paragraph (c)) may be greater than the cash amount of the dividend (and, if relevant, the tax credit).
- (c) The value of the Ordinary Shares shall be determined by the Directors by reference to the average of the Relevant Prices of Ordinary Shares for the five business days commencing on the date on which the Ordinary Shares are quoted ex the relevant dividend or, in the event that this shall, in the opinion of the Directors, be impracticable, in such manner as the Directors may determine, taking into account, if appropriate, the price at which any recent dealing in the shares of the Company took place. For the purposes of this paragraph, the expression "Relevant Price" shall mean, in respect of any business day on which there shall be a dealing on the Irish Stock Exchange in respect of Ordinary Shares, the closing quotation price in respect of such shares for such business day as published in the Daily Official List of the Irish Stock Exchange (or any successor publication thereto) and, in respect of any business day on which there shall be no such dealing, the price which is

equal to (x) the mid-point between the high and low market guide prices in respect of such shares for such business day as published in the Daily Official List of the Irish Stock Exchange (or any successor publication thereto), or (y) if there shall be only one such market guide price so published, the market guide price so published.

- (d) The Directors shall give notice in writing to the holders of Ordinary Shares of any right of election afforded to them and shall send with or following such notice forms of election and specify the procedure to be followed (including, if so permitted, procedures for the retraction of an election), the place or places at which and the latest dates and times by which duly completed forms of election must be lodged in order to be effective (such dates or times to be different only to the extent that it is necessary to allow for the transmission of information to Dublin or for time differences between different places at which such forms may be lodged). Any such notice may be given prior to the general meeting at which approval for the right of election is to be given and subject to such approval being given, Any election by a member will be binding on every successor in title to the shares in respect of which the election is made. The Directors may also issue forms under which holders of Ordinary Shares may elect to receive Ordinary Shares instead of cash both in respect of future dividends not yet declared or resolved (and accordingly in respect of which the basis of allotment shall not have been determined) and dividends already declared and resolved.
- (e) The cash dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable on any Ordinary Shares in respect of which the share election has been duly exercised (the "Elected Ordinary Shares") and in lieu thereof additional Ordinary Shares (but not any fraction of any Ordinary Share) shall be allotted to the holders of the Elected Ordinary Shares on the basis of allotment determined as aforesaid and for such purpose the Directors shall capitalise, out of such of the sums standing to the credit of reserves (including any share premium account or capital redemption reserve fund) or profit and loss account, as the Directors may determine, a sum equal to the aggregate nominal amount of additional Ordinary Shares to be allotted and premium (if any) on such basis and apply the same in paying up in full the appropriate number of unissued Ordinary Shares for allotment and distribution to and amongst the holders of the Elected Ordinary Shares on such basis. A resolution of the Directors capitalising any part of the reserves or profits hereinbefore mentioned shall have the same effect as if such capitalisation had been declared by a resolution passed at a general meeting of the Company.
- (f) The additional Ordinary Shares so allotted will rank *pari passu* in all respects with the fully paid Ordinary Shares then in issue save only as regards any rights attaching to such Ordinary Shares by reference to a record date prior to the date of allotment.
- (g) The Directors may do all acts and things considered necessary or expedient to give effect to any such capitalisation with full power for the Directors to make such provisions as they think fit in the case of shares becoming distributable in fractions (including, without limitation, provisions whereby, in whole or in part, the fractional entitlements are disregarded and the benefit of fractional entitlements accrues to the Company rather than to the members concerned). The Directors may authorise any person to enter on behalf of all the members interested into an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made under such authority shall be effective and binding on all concerned. The Directors may, in their absolute discretion if it shall in their opinion seem expedient, suspend or terminate (whether temporarily or otherwise) such right to elect and may do such acts and things considered necessary or expedient with regard to, or in order to effect, any such suspension or termination.

- (h) Notwithstanding the foregoing, the Directors may at any time prior to payment of the relevant dividend determine, if it appears to them desirable to do so because of a change in circumstances, that the dividend shall be payable wholly in cash and if they so determine, all elections made shall be disregarded. The relevant dividend shall, in any event, be payable wholly in cash if the Ordinary Shares cease to be listed or dealt in on any recognised stock exchange at any time prior to the due date of issue of the additional Ordinary Shares or if such listing is suspended and not reinstated at least three business days prior to the date immediately preceding the due date of such issue.
- (i) Notwithstanding anything to the contrary in this Article, the Directors may make such exclusions from any offer of rights of election to Holders of Ordinary Shares as they may think fit in the light of any legal or practical problems under the law of, or the requirements of any regulatory or stock exchange authority in, any territory or jurisdiction and may in particular, on any occasion, determine that rights of election shall not be offered to any Holders of Ordinary Shares who are citizens or residents of any territory where the making or publication of an offer of rights of election or any exercise of rights of election or any purported acceptance of rights of election would or might be unlawful and in such event the provisions aforesaid shall be read and construed subject to such determination.

110. Apportionment of Dividends

Except as otherwise provided by the rights attached to shares, all dividends shall be declared and paid according to the amounts paid up on the shares on which the dividend is paid. Subject as aforesaid, all dividends shall be apportioned and paid proportionately to the amounts paid or credited as paid on the shares during any portion or portions of the period in respect of which the dividend is paid but, if any share is issued on terms providing that it shall rank for dividend as from a particular date, such share shall rank for dividend accordingly. For the purposes of this Article, no amount paid on a share in advance of calls shall be treated as paid on a share.

111. Deductions from Dividends

The Directors may deduct from any dividend or other monies payable to any member in respect of a share any monies presently payable by him to the Company in respect of that share.

112. Dividends in Specie

A general meeting declaring a dividend may, upon the recommendation of the Directors, direct that it shall be satisfied wholly or partly by the distribution of assets (and, in particular, of paid up shares, debentures or debenture stock of any other company or in any one or more of such ways) and the Directors shall give effect to such resolution. Where any difficulty arises in regard to the distribution, the Directors may settle the same as they think expedient, and in particular may issue fractional certificates and fix the value for distribution of such specific assets or any part thereof, in order to adjust the rights of all the parties, and may determine that cash payments shall be made to any members upon the footing of the value so fixed and may vest any such specific assets in trustees.

113. Payment of Dividends and Other Monies

- (a) Any dividend or other monies payable in respect of any share may be paid by cheque or warrant sent by post, at the risk of the Holder or Holders entitled thereto, to the registered address of the Holder or, where there are joint Holders, to the registered address of that one of the joint Holders who is first named on the Register or to such person and to such address as the Holder or joint Holders may in writing direct. Every such cheque or warrant shall be made payable to the order of the person to whom it is sent and payment of the cheque or warrant shall be a good discharge to the Company. The Directors may also, in circumstances which

they consider appropriate, arrange for payment of dividends or any other payments to any particular Holder or Holders by electronic funds transfer, bank transfer or by any other method selected by the Directors from time to time and in such event the debiting of the Company's account in respect of the appropriate amount shall be deemed a good discharge of the Company's obligations in respect of any payment made by any such methods.

- (b) Any dividend or other payment to any particular Holder or Holders may be paid in such currency or currencies, as may from time to time be determined by the Directors and any such payment shall be made in accordance with such rules and regulations (including, without limitation, in relation to the conversion rate or rates) as may be determined by the Directors in relation thereto.
- (c) Any joint Holder or other person jointly entitled to a share as aforesaid may give receipts for any dividend or other monies payable in respect of the share.
- (d) If on at least three consecutive occasions, cheques, warrants, or transfers in respect of payment of dividends or other monies payable on or in respect of any share have been despatched in accordance with the provisions of this Article but have been returned undelivered or left uncashed during the periods for which they were valid, the Company need not thereafter despatch further cheques, warrants or transfers in payment of dividends or other monies payable on or in respect of the share in question until the member or other person entitled thereto shall have communicated with the Company and supplied in writing to the Secretary an address or account details as appropriate for the purpose.

114. Dividends Not to Bear Interest

No dividend or other monies payable in respect of a share shall bear interest against the Company.

115. Payment to Holders on a Particular Date

Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Directors, may specify that the same may be payable to the persons registered as the Holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall mutatis mutandis apply to capitalisations to be effected in pursuance of these Articles (including, without limitation, pursuant to the provisions of Article 109.

116. Unclaimed Dividends

Any dividend which has remained unclaimed for twelve years from the date the dividend became due for payment shall, if the Directors so resolve, be forfeited and cease to remain owing by the Company. The payment by the Directors of any unclaimed dividend or other monies payable in respect of a share into a separate account shall not constitute the Company a trustee in respect thereof.

PART XX - CAPITALISATION OF PROFITS OR RESERVES

117. Capitalisation of Distributable Profits and Reserves

The Company in general meeting may, upon the recommendation of the Directors, resolve that any sum for the time being standing to the credit of any of the Company's reserves (including any capital redemption reserve fund or share premium account or undenominated capital) or to the credit of the profit and loss account be capitalised and applied on behalf of the members who would have been entitled to receive that sum if it had been distributed by

way of dividend and in the same proportions either in or towards paying up amounts for the time being unpaid on any shares held by them respectively, or in paying up in full unissued shares or debentures of the Company of a nominal amount equal to the sum capitalised (such shares or debentures to be allotted and distributed credited as fully paid up to and amongst such Holders in the proportions aforesaid) or partly in one way and partly in another provided that in the case of any such capitalisation issue of shares and subject to the Act, the amount to be applied on behalf of Holders of partly paid shares may be applied in partly paying up unissued shares to be allotted to such Holders, so however, that the only purposes for which sums standing to the credit of the capital redemption reserve fund or the share premium account or undenominated capital shall be applied shall be those permitted by the Act.

118. Capitalisation of Non-Distributable Profits and Reserves

The Company in general meeting may, on the recommendation of the Directors resolve that it is desirable to capitalise any part of the amount for the time being standing to the credit of any of the Company's reserve accounts or to the credit of the profit and loss account which is not available for distribution by applying such sum in paying up in full unissued shares to be allotted as fully paid bonus shares to those members of the Company who would have been entitled to that sum if it were distributable and had been distributed by way of dividend (and in the same proportions) and the Directors shall give effect to such resolution.

119. Implementation of Capitalisation Issues

Whenever such a resolution is passed in pursuance of either of the two immediately preceding Articles, the Directors shall make all appropriations and applications of the undivided profits resolved to be capitalised thereby and all allotments and issues of fully paid shares or debentures, if any, and generally shall do all acts and things required to give effect thereto with full power to the Directors to make such provisions as they shall think fit for the case of shares or debentures becoming distributable in fractions (and, in particular, without limitation, either to disregard such fractions or to sell the shares or debentures represented by such fractions and distribute the net proceeds of such sale to and for the benefit of the Company and/or to or for the benefit of the members otherwise entitled to such fractions in due proportions) and also to authorise any person to enter on behalf of all the members concerned into an agreement with the Company providing for the allotment to them respectively, credited as fully paid up, of any further shares or debentures to which they may become entitled on such capitalisation or, as the case may require, for the payment up by the application thereto of their respective proportions of the profits resolved to be capitalised of the amounts remaining unpaid on their existing shares and any agreement made under such authority shall be binding on all such members.

PART XXI - NOTICES

120. Notices in Writing

Any notice to be given, served or delivered pursuant to these Articles shall be in writing.

121. Service of Notices

- (a) A notice or document (including a share certificate) to be given, served or delivered in pursuance of these Articles may be given to, served on or delivered to any member by the Company:
 - (i) by handing it to him or his authorised agent;
 - (ii) by leaving it at his registered address; or
 - (iii) by sending it by post in a pre-paid cover addressed to him at his registered address.

- (b) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a) (i) or (ii), the giving, service or delivery thereof shall be deemed to have been effected at the time it was handed to the member or his authorised agent, or left at his registered address (as the case may be).
- (c) Where a notice or document is given, served or delivered pursuant to sub-paragraph (a)(iii), the giving, service or delivery thereof shall be deemed to have been effected at the expiration of twenty-four hours after the cover containing it was posted. In proving such service or delivery it shall be sufficient to prove that such cover was properly addressed, stamped and posted.
- (d) Every legal personal representative, committee, receiver, curator or other legal curator, assignee in bankruptcy or liquidator of a member shall be bound by a notice as aforesaid if sent to the last registered address of such member, notwithstanding that the Company may have notice of the death, lunacy, bankruptcy, liquidation or disability of such member.
- (e) Without prejudice to the provisions of sub-paragraphs (a) (i) and (ii), if at any time by reason of the suspension or curtailment of postal services within the State, the Company is unable effectively to convene a general meeting by notices sent through the post, a general meeting may be convened by a notice advertised on the same date in at least two leading national daily newspapers in the State and such notice shall be deemed to have been duly served on all members entitled thereto at noon on the day on which the said advertisements shall appear. In any such case, the Company shall send confirmatory copies of the notice through the post to those members whose registered addresses are outside the State (if or to the extent that in the opinion of the Directors it is practical so to do) or are in areas of the State unaffected by such suspension or curtailment of postal services and if at least ninety-six hours prior to the time appointed for the holding of the meeting the posting of notices to members in the State, or any part thereof which was previously so affected, has again, in the opinion of the Directors, become practical, the Directors shall forthwith send confirmatory copies of the notice by post to such members. The accidental omission to give any such confirmatory copy of a notice of a meeting to, or the non-receipt of any such confirmatory copy by, any person entitled to receive the same shall not invalidate the proceedings at the meeting.
- (f) At the option of the Company, and where appropriate means are available, notice may also be served on any particular Holder or Holders by means of telex, telefax, electronic mail or other such means as may be available.
- (g) Notwithstanding anything contained in this Article, the Company shall not be obliged to take account of or make any investigations as to the existence of any suspension or curtailment of postal services within or in relation to all or any part of any jurisdiction or other area other than the State.

122. Service on Joint Holders

A notice may be given by the Company to the joint Holders of a share by giving the notice to the joint Holder whose name stands first in the Register in respect of the share and notice so given shall be sufficient notice to all the joint Holders.

123. Service on Transfer or Transmission of Shares

- (a) Every person who becomes entitled to a share shall be bound by any notice in respect of that share which, before his name is entered in the Register in respect of the share, has been duly given to a person from whom he derives his title provided that the provisions of this paragraph shall not apply to any notice served under Article 12 or to any notice served under Article 13 unless, under the provisions of Article 13(b), it is a notice which continues to have effect notwithstanding the registration of a transfer of the shares to which it relates.

- (b) Without prejudice to the provisions of these Articles allowing a meeting to be convened by newspaper advertisement, a notice may be given by the Company to the persons entitled to a share in consequence of the death or bankruptcy of a member by sending or delivering it, in any manner authorised by these Articles for the giving of notice to a member, addressed to them at the address, if any, supplied by them for that purpose. Until such an address has been supplied, a notice may be given in any manner in which it might have been given if the death or bankruptcy had not occurred.

124. Signature to Notices

The signature to any notice to be given by the Company may be written or printed.

125. Deemed Receipt of Notices

A member present, either in person or by proxy, at any meeting of the Company or the Holders of any class of shares in the Company, shall be deemed to have received due notice of the meeting and, where requisite, of the purposes for which it was called.

PART XXII - WINDING UP

126. Distribution on Winding Up

If the Company shall be wound up and the assets available for distribution among the members as such shall be insufficient to repay the whole of the paid up or credited as paid up share capital, such assets shall be distributed so that, as nearly as may be, the losses shall be borne by the members in proportion to the capital paid up or credited as paid up at the commencement of the winding up on the shares held by them respectively. If in a winding up the assets available for distribution among the members shall be more than sufficient to repay the whole of the share capital paid up or credited as paid up at the commencement of the winding up, the excess shall be distributed among the members in proportion to the capital at the commencement of the winding up paid up or credited as paid up on the said shares held by them respectively. Provided that this Article shall not affect the rights of the Holders of shares issued upon special terms and conditions.

127. Distribution in Specie

If the Company is wound up, the liquidator may, with the sanction of a special resolution of the Company and any other sanction required by the Act, divide among the members in specie or kind the whole or any part of the assets of the Company (whether they shall consist of property of the same kind or not) and may, for such purpose, value any assets and determine how the division shall be carried out as between the members or different classes of members. The liquidator may, with the like sanction, vest the whole or any part of such assets in trustees upon such trusts for the benefit of the contributories as he, with the like sanction determines, but so that no member shall be compelled to accept any assets upon which there is a liability.

PART XXIII - MISCELLANEOUS

128. Inspection and Confidentiality

The Directors shall from time to time determine whether and to what extent and at what times and places and under what conditions or regulations the accounts and books of the Company or any of them shall be open to the inspection of members, not being Directors, and no member (not being a Director) shall have any right of inspecting any account or book or document of the Company except as conferred by the Act or authorised by the Directors or by the Company in general meeting and no member (not being a Director) shall be entitled to require discovery of or receive any information concerning any detail of the business, assets, property, trading or customers of the Company or any subsidiary or associated company thereof or any matter which is or may be in the nature of a trade secret,

mystery of trade, or secret process which may relate to the conduct of business by the Company or any subsidiary or associated company thereof and which, in the opinion of the Directors, it would be inexpedient in the interests of the members of the Company to communicate to the public.

129. Destruction of Records

The Company shall be entitled to destroy all instruments of transfer which have been registered at any time after the expiration of six years from the date of registration thereof, all notifications of change of address at any time after the expiration of two years from the date of recording thereof and all share certificates and dividend mandates which have been cancelled or ceased to have effect at any time after the expiration of one year from the date of such cancellation or cessation. It shall be conclusively presumed in favour of the Company that every entry in the Register purporting to have been made on the basis of an instrument of transfer or other document so destroyed was duly and properly made and every instrument duly and properly registered and every share certificate so destroyed was a valid and effective document duly and properly cancelled and every other document hereinbefore mentioned so destroyed was a valid and effective document in accordance with the recorded particulars thereof in the books or records of the Company, Provided always that:-

- (a) the provision aforesaid shall apply only to the destruction of a document in good faith and without notice of any claim (regardless of the parties thereto) to which the document might be relevant;
- (b) nothing herein contained shall be construed as imposing upon the Company any liability in respect of the destruction of any document earlier than as aforesaid or in any other circumstances which would not attach to the Company in the absence of this Article; and
- (c) reference herein to the destruction of any document include references to the disposal thereof in any manner.

130. Untraced Shareholders

- (a) The Company shall be entitled to sell at the best price reasonably obtainable any share of a Holder, or any share to which a person is entitled by transmission, if and provided that:-
 - (i) for a period of twelve years no cheque or warrant sent by the Company through the post in a pre-paid letter addressed to the Holder, or to the person entitled by transmission to the share, at his address on the Register or otherwise the last known address given by the Holder, or to the person entitled by transmission, to which cheques and warrants are to be sent has been cashed and no communication has been received by the Company from the Holder, or the person entitled by transmission, (provided that during such twelve year period at least three dividends shall have become payable in respect of such share);
 - (ii) the Company has, on or after the expiration of the said period of twelve years, by advertisement in heading a national newspaper in the State and in a newspaper circulating in the area in which the address referred to in sub-paragraph (a) (i) is located, given notice of its intention to sell such share;
 - (iii) the Company has not during the further period of three months after the date of the advertisement and prior to the exercise of the power of sale received any communication from the Holder or person entitled by transmission; and

- (iv) the Company has first given notice in writing to The Stock Exchange of its intention to sell such share.
- (b) To give effect to any such sale, the Company may appoint any person to execute as transferor an instrument of transfer of such share and such instrument of transfer shall be as effective as if it had been executed by the Holder or the person entitled by transmission to such share. The transferee shall be entered in the Register as the Holder of the shares comprised in any such transfer and he shall not be bound to see to the application of the purchase monies nor shall his title to the shares be affected by any irregularity in or invalidity of the proceedings in reference to the sale.
- (c) The Company shall account to the Holder or other person entitled to such share for the net proceeds of such sale by carrying all monies in respect thereof to a separate account which shall be a debt of the Company and the Company shall be deemed to be a debtor and not a trustee in respect thereof for such Holder or other person. Monies carried to such separate account may either be employed in the business of the Company or invested in such investments as the Directors may from time to time think fit.

131. Indemnity

Subject to the provisions of and so far as may be admitted by the Act, every Director, managing Director, Auditor, Secretary or other officer of the Company shall be entitled to be indemnified by the Company against all costs, charges, losses, expenses and liabilities incurred by him in the execution and discharge of his duties or in relation thereto including any liability incurred by him in defending any proceedings, civil or criminal, which relate to anything done or omitted or alleged to have been done or omitted by him as an officer or employee of the Company and in which judgment is given in his favour (or the proceedings are otherwise disposed of without any finding or admission of any material breach of duty on his part) or in which he is acquitted or in connection with any application under any statute for relief from liability in respect of any such act or omission in which relief is granted to him by the Court.
