

Find the right talent in the north of Ireland with

Cpl Northern Ireland

Cpl NI is part of the Cpl Group, Ireland's largest and longest standing Talent Solutions Provider. We are a dedicated provider of **Talent Solutions across Northern Ireland**, creating impactful recruitment experiences for the businesses we work with.

With our award winning **"Client First" approach**, combined with our extensive candidate database, specialised recruitment teams and market-leading sourcing capabilities, we can quickly identify, engage, select, and progress the right candidates to match your hiring requirements, regardless of the sector you operate in.

The Cpl NI team provide specialist recruitment support across our core divisions of **Technology, Engineering, Accountancy, Sales & Marketing and HR**, with the ability and expertise to operate successfully across all industries. We provide permanent, temporary, contract and executive recruitment services.

Our aim is not just to find you talent – it is to develop **authentic business partnerships** that extend past the initial recruitment process. This is achieved by treating our candidates with the same standard of high service as our clients, delivering an efficient, high-touch experience for every candidate to **facilitate a smooth hiring process for your business**.

Why Cpl NI?

Delivery of Talent

Our team are vastly experienced in the delivery of talent solutions across the region and can represent your needs and People Value Proposition (PVP) to the talent market effectively. Crucially, **we will work in partnership with you to identify the right candidates** that support your business goals in a timely, cost-effective manner.

Industry Expertise

We have **specialist recruitment consultants**, experts within their specific industries across all disciplines, which means **industry-specific knowledge** on market trends, salary levels, and the skills required to be successful. This streamlines the process of finding the right talent for your organisation.

Enable Business Growth & Innovation

As a **Total Talent Solutions Hub**, Cpl is committed to working with our clients to face the future of work with confidence. Our teams work with companies of all sizes, from innovative start-ups to large multinationals, providing recruitment services, training, and outsourcing services. Reach out today for a complimentary consultation to learn how Cpl NI can support your hiring needs.

Talent Experience Testimonials

Emma is a breath of fresh air in a crowded marketplace, showing genuine care, patience, and interest in candidates while skilfully matching their needs with those of industry. Every interaction is steeped in utmost professionalism. A highly capable consultant whose experience and natural people skills shine through - highly recommended.

– Eoin, HR Project Manager

Richard has been a pleasure to work with, an absolute professional and played a key role in helping me land a great position. He went well and above of what was required of him. Thank you I appreciate everything you did.

– Mo, Quantity Surveyor

Recently Seamus contacted me on LinkedIn about a new career opportunity. After some initial conversations, I decided to progress. He encouraged and guided me through the whole process. I would have absolutely no hesitation in recommending Seamus to those that are looking for their next career move.

– Chris, Test Engineer Medical Devices

It has been a pleasure to have worked with Darrach over recent years. He is someone with an excellent work ethic, great professionalism and will always deliver. I would highly recommend Darrach to any potential employer or business partner.

– Gerry, Group CFO
